

Professor Helen Cross is The Prince of Wales's Chair of Childhood Epilepsy and Head of the Developmental Neuroscience Programme at UCL-Great Ormond Street Institute of Child Health, Honorary Consultant in Paediatric Neurology Great Ormond Street Hospital for Children NHS Foundation Trust, London and Young Epilepsy, Lingfield, UK. Her research has been targeted at improving outcomes in early onset epilepsy, specifically in assessing the role of surgery and ketogenic diet. She is Treasurer of the International League Against Epilepsy 2017-2021 (Secretary General 2013-2017), Clinical Advisor to the National Children's Epilepsy Surgery Service, Chair of the BPNA Research Committee and Chair of the Neurosciences Clinical Study Group of the Clinical Research Network (Children). She is the Coordinator of the European Reference Network for Rare and Complex Epilepsies (EpiCARE) launched in 2017. She holds NIHR Senior Investigator status 2016-2020. She was awarded the Ambassador for Epilepsy Award from the ILAE/IBE in 2007 and Officer, Order of the British Empire for services to children with epilepsy in the Queens Birthday Honours in 2015. She holds an Honorary Doctorate from the University of Gothenburg (2014), and the University of Tartu (2013).
